D103: Intermediate Accounting I

College: School of Business

Topics: 3

Pain Points: 8

Feedback Topics

1. Understanding Course Material – [3 posts]

Students are struggling to grasp key concepts in the course material, particularly related to inventory statements and convoluted textbook explanations.

"The hardest for me to grasp seems to be the what happens on the statement if inventory is wrong at the end of the year."

[Reddit post](#)

"The book is awful. The way it explains things is so convoluted that I would read through the lesson and not understand a thing."

[Reddit post](#)

"I'm trying to retain and understand the explanation from the study guides and the textbook, but nothing is clicking for me on this section."

[Reddit post](#)

2. Assessment Preparedness – [2 posts]

Students are facing challenges with the assessments due to unfamiliar questions and a lack of coverage in the provided materials.

"There were so many questions I had never seen on the PA, unit tests or study guide practice questions!"

[Reddit post](#)

"Waiting to hear back from my instructor."

[Reddit post](#)

3. Student Confidence and Burnout – [3 posts]

Students are experiencing feelings of inadequacy and burnout, impacting their performance and ability to complete coursework.

"I have done all the course materials and study guides multiple times."

[Reddit post](#)

"I have done all the tests and quizzes. The extra resources. Met with instructors and I just feel inadequate."

[Reddit post](#)

"I could have finished this class much sooner, but burnout is hitting me like a dump truck."
