Feedback Topics

1. Exam Preparation Issues – [3 posts]

Students are struggling with exam preparation and understanding course material, leading to failures and frustration.

"The reason I failed was because I didn't do any practice exams before my first run."

[Reddit post](#)

"The second question in the material actually makes zero sense?"

[Reddit post](#)

"I have failed the exam 3 times... I am literally going through all the material again."

2. Proctoring Experience Problems – [1 posts]

Students are facing significant delays and poor treatment during the online exam proctoring process.

"I didn't end up taking my test until about 8:30pm. 2 and a half hours after my scheduled appointment."
