D599: Data Preparation and Exploration

College: School of Technology

Topics: 2

Pain Points: 2

Feedback Topics

1. Data Completeness Issues (*Emerging*) – [1 posts]

Students are facing challenges due to missing data in course datasets, impacting project completion.

"I noticed there was missing data but this task is not particularly focused on it."

[Reddit post](#)

2. Data Presentation Confusion (*Emerging*) – [1 posts]

Students are unclear on how to effectively identify and present data distributions for various variable types.

"I'm wondering how you do that exactly?"
