### Feedback Topics

#### 1. Course Material and Resources – [5 posts]

Insufficient clarity and support in course materials and resources leading to student confusion and overwhelm.

"the questions weren't written and designed to purposely confuse you into failure."

[Reddit post](#)

"the zybooks just isn't cutting it at this point."

[Reddit post](#)

"I'm struggling following along with the Zybooks."

[Reddit post](#)

"just cant comprehend this class at all."

[Reddit post](#)

"Wish they had a video tutorial so I can understand what I'm messing up."

[Reddit post](#)

---

#### 2. Mentorship and Course Progression – [1 posts]

Delays in mentor assignment and transcript evaluation causing concerns about course progression.

"if I can't move classes around then will I be stuck doing whatever she chose until I can talk to her on the 3rd?"

[Reddit post](#)

---

### 3. Technical Issues – [1 posts]

Technical problems with exam tools affecting student performance and concentration.

"the browser we are supposed to use stopped functioning properly."
