D279: User Interface Design

College: School of Technology

Topics: 2

Pain Points: 4

Feedback Topics

1. Guidance and Clarity Issues – [2 posts]

Students are struggling due to a lack of clear guidance and conflicting information regarding assignments and tools.

"I asked my instructor but she had no useful advice."

[Reddit post](#)

"The assignment is massive and unclear... the email the professor sent with pointers for the course seem to conflict with the assignment."

[Reddit post](#)

2. Technical Limitations – [2 posts]

Students are facing technical challenges with the tools provided for building prototypes and websites.

"I've been trying to use weebly, but I am having issues with trying to get any sort of breadcrumb bar to work on weebly."

[Reddit post](#)

"Honestly i think i can handle just about everything except freaking positioning of my elements!"
