D333: Ethics in Technology

College: School of Business; School of Technology

Topics: 8

Pain Points: 13

Feedback Topics

1. Alignment of Assessment with Course Content – [4 posts]

Students feel assessments are not aligned with the content taught in the course, leading to confusion and frustration.

"some of the notions seem similar."

[Reddit post](#)

"I feel like a large portion of the questions had nothing to do with ethics or the content taught in the course."

[Reddit post](#)

"I'm also a little confused why an ethics test asked me what Cisco Certification required an in-person exam."

[Reddit post](#)

"none of the content on the study guide aligned with the content on the OA."

[Reddit post](#)

2. Pre-Assessment Discrepancy – [2 posts]

Discrepancies between the Pre-Assessment and the actual OA create confusion and false confidence for students.

"The Pre-Assesment is also very different than the actual OA. It gives a false sense of security."

[Reddit post](#)

"Has anyone noticed that this class has been changed to a performance Assessment?"

[Reddit post](#)

3. Assessment Format Uncertainty – [2 posts]

Students are unsure about the status and format of assessments, leading to confusion on how to proceed with their work.

"D333 WGU updated the class. There is no test just two knowledge tasks."

[Reddit post](#)

"I logged in today and saw that it's still showing as an OA... Am I missing something?"

[Reddit post](#)

4. Assessment Reassessment (*Emerging*) – [1 posts]

Students are struggling to pass the OA despite putting in effort, highlighting potential issues with assessment design or support.

"failed D333 OA for the 3rd time... this has been the most frustrating class/experience."

[Reddit post](#)

5. Engagement with Course Material (*Emerging*) – [1 posts]

Students are failing to engage with course materials, impacting their performance on assessments.

"I did not read any course material."

[Reddit post](#)

6. Exam Format Concerns (*Emerging*) – [1 posts]

Students express dissatisfaction with the proctored exam format, indicating potential issues with assessment delivery.

"the dreadful proctored exam."

[Reddit post](#)

7. Study Preparation Challenges (*Emerging*) – [1 posts]

Students are struggling with effective study strategies and preparation for exams, leading to repeated failures.

"can anyone help me on ways I can better study and prepare for the exam."

[Reddit post](#)

8. Clarification on Ethical Implications (*Emerging*) – [1 posts]

Students are seeking better understanding and clarity on the ethical implications of practice exam questions.

"I am a bit confused, I think I understand the answers but not 100% sure."
