### Feedback Topics

#### 1. Course Material Clarity (*Emerging*) – [1 posts]

Students feel lost and confused about the course material and structure.

"this class is super confusing and I want to make sure I fully understand everything."

[Reddit post](#)

---

#### 2. Technical Support for Coding (*Emerging*) – [1 posts]

Students are struggling with coding errors and find instructional videos unhelpful.

"I've watched the videos on Panapto, but they confused me more than helped."
