Feedback Topics

1. Engagement and Navigation Issues with Course Materials – [3 posts]

Students find the course materials redundant and difficult to navigate, leading to disengagement.

"the questions on this are tricky... I'm looking for something other than the txt book and videos provided in class since they are so redundant."

[Reddit post](#)

"I hate the new format for the books with reference links anymore."

[Reddit post](#)

"The books in general have been a drag."
