D075: Information Technology Management Essentials

College: School of Business

Topics: 3

Pain Points: 5

Feedback Topics

1. Understanding Course Material – [3 posts]

Students are struggling with the terminology and complexity of the course material, leading to confusion and stress.

"the terms and definitions of who does what is killing me."

[Reddit post](#)

"the wording can be atrocious"

[Reddit post](#)

"I've done the quilts, Study guilds, and videos idk what I'm doing wrong tbh might just quit."

[Reddit post](#)

2. Communication and Support – [1 posts]

Lack of communication from mentors regarding course enrollment and progression is causing uncertainty among students.

"I'm still waiting to hear back from my mentor on if I need this class before of the changes."

[Reddit post](#)

3. Course Difficulty and Persistence – [1 posts]

Students are feeling discouraged due to the difficulty of passing the course after multiple attempts.

"I've completed five classes so far and passed all of them on the first attempt, but I can't seem to get through this one."
