D103: Intermediate Accounting I

College: School of Business

Topics: 5

Pain Points: 11

Feedback Topics

1. Difficulty with Key Concepts – [4 posts]

Students are struggling to understand key concepts that impact their performance in assessments.

"The hardest for me to grasp seems to be the what happens on the statement if inventory is wrong at the end of the year."

[Reddit post](#)

"I'm trying to retain and understand the explanation from the study guides and the textbook, but nothing is clicking for me on this section."

[Reddit post](#)

"There were so many questions I had never seen on the PA, unit tests or study guide practice questions!"

[Reddit post](#)

"The book is awful. The way it explains things is so convoluted that I would read through the lesson and not understand a thing."

[Reddit post](#)

2. Discouragement from Repeated Failures – [3 posts]

Students feel discouraged and question their suitability for the subject after multiple failures.

"I failed this for the second time now with the same score."

[Reddit post](#)

"I just tested again for this stupid class and failed in the opposite section and am very disappointed in myself."

[Reddit post](#)

"the posts on reddit about other students failing D103 and D104 are making me nervous a little bit because I absolutely do not have the time needed to fail a single OA right now."

[Reddit post](#)

3. Lack of Engagement and Motivation – [2 posts]

Students feel overwhelmed and lack motivation to engage with course materials.

"if I pass I pass (I ain't doing this shit again)"

[Reddit post](#)

"I could have finished this class much sooner, but burnout is hitting me like a dump truck."

[Reddit post](#)

4. Struggles with Course Assessments (*Emerging*) – [1 posts]

Students are having difficulty passing assessments despite multiple attempts at course materials.

"I have done all the course materials and study guides multiple times."

[Reddit post](#)

5. Feelings of Inadequacy (*Emerging*) – [1 posts]

Students feel inadequate despite extensive efforts and support, leading to frustration with the course.

"I have done all the tests and quizzes. The extra resources. Met with instructors and I just feel inadequate."
