Pain Points: 7

Feedback Topics

1. Study Resource and Preparation Issues – [5 posts]

Students are struggling with insufficient study resources and overwhelming material requirements.

"I would highly recommend using a different resource."

[Reddit post](#)

"I'd have to do around six hours a day to finish the playlist in two weeks."

[Reddit post](#)

"It's so difficult to remember the pricing and minute details of all of the products."

[Reddit post](#)

"English is not my first language and I'm not the best learner, so I really need to spend extra time to get myself to study too."

[Reddit post](#)

"Some questions on the exam threw me off completely, I would read the question and before looking at the answers I'm like 'I know this!' but then that answer is not even an option."

[Reddit post](#)

2. Access and Technical Issues – [1 posts]

Students are facing technical difficulties with accessing the lab environment and AWS credentials.

"I'm also getting some error that my AWS credentials don't align with WGU?"

[Reddit post](#)

3. Exam Scheduling and Refund Process – [1 posts]

Students are encountering challenges with the exam scheduling and refund process.

"you can only reschedule twice, after that you need to cancel and wait for the refund, which can take 7-10 days."
