D101: Cost and Managerial Accounting

College: School of Business

Topics: 5

Pain Points: 10

Feedback Topics

1. Course Material Clarity – [3 posts]

Students struggle to understand course material due to inadequate resources and confusing content.

"the resources available through WGU for this one make me think that they want you to fail."

[Reddit post](#)

"Can anyone explain to me how to get the answer to this problem."

[Reddit post](#)

"The questions are nightmare as well."

[Reddit post](#)

2. Assessment Confusion – [2 posts]

Students are confused by quiz questions and proctoring issues that disrupt their exam experience.

"what you need to know to solve some of the quiz questions aren't even taught until the unit after"

[Reddit post](#)

"proctor took 50 minutes of my time because the came cut off and I had to re connect."

[Reddit post](#)

3. Resource Availability – [2 posts]

Students feel a lack of supplemental resources and unclear instructions hinder their learning.

"This is the first accounting class Ive had with no supplemental material."

[Reddit post](#)

"it gives me the # of units to be produced in June, but no where on this sheets does it say the amount of labor hours it takes to produce one unit?"

[Reddit post](#)

4. Similarity and Writing Issues – [2 posts]

Students are frustrated with high similarity scores on essays and unclear differentiation between concepts.

"the similarity comes out to over 50%... how can I be different to not have similarities."

[Reddit post](#)

"How is it different from PA it looked the same to me with different numbers."

[Reddit post](#)

5. Video Quality – [1 posts]

Students find the quality of embedded videos to be poor and unhelpful.

"the embedded videos are terribly done."
