College: School of Technology

Topics: 6

Pain Points: 8

Feedback Topics

1. Content Complexity – [3 posts]

Students feel overwhelmed by the detailed pricing and product information required for the test.

"Some questions on the exam threw me off completely... that answer is not even an option."

[Reddit post](#)

"It's so difficult to remember the pricing and minute details of all of the products."

[Reddit post](#)

"CCP has a lot of new terms...lots of new terms and features to get to know."

[Reddit post](#)

2. Resource Diversity (*Emerging*) – [1 posts]

Students feel unprepared due to reliance on a single study resource.

"I would highly recommend using a different resource. I made this mistake and walked into the Neal Davis test failing most if not all of the first 4 (of 6)."

[Reddit post](#)

3. Access Issues (*Emerging*) – [1 posts]

Students are unable to access the lab environment due to credential issues.

"I'm also getting some error that my AWS credentials don't align with WGU?"

[Reddit post](#)

4. Study Load Management (*Emerging*) – [1 posts]

Students feel overwhelmed and exhausted from extensive study requirements.

"I'd have to do around six hours a day to finish the playlist in two weeks."

[Reddit post](#)

5. Exam Scheduling Challenges (*Emerging*) – [1 posts]

Students face challenges with scheduling and rescheduling exam appointments.

"you can only reschedule twice, after that you need to cancel and wait for the refund."

[Reddit post](#)

6. Exam Preparedness and Support (*Emerging*) – [1 posts]

Students feel discouraged after multiple failures despite a sense of preparation, indicating a need for better support and resources for exam success.

"I honestly don't know what am doing wrong this course has consumed me."
