C483: Principles of Management

College: Leavitt School of Health; School of Business; School of Technology

Topics: 5

Pain Points: 5

Feedback Topics

1. Proctoring Anxiety (*Emerging*) – [1 posts]

Students experience anxiety focused on the proctoring process rather than the actual test content.

"I'm more worried about the proctoring than the material for this one."

[Reddit post](#)

2. Overwhelming Study Material (*Emerging*) – [1 posts]

Students feel overwhelmed by the disproportionate amount of study material compared to the number of test questions.

"So much information to study for so few questions."

[Reddit post](#)

3. Lack of Foundational Knowledge (*Emerging*) – [1 posts]

Students feel unprepared due to insufficient foundational knowledge and resources prior to the course.

"Had I not used Reddit I would've wasted at least 2 weeks."

[Reddit post](#)

4. Disorganized Course Material (*Emerging*) – [1 posts]

Students experience overwhelm and burnout due to disorganized course material structure.

"the setup of C483 has me mindblown, all over the place... just put only the info from the study guide into a book instead of having students go from Chapter 14 to 3 to 13 to 15 and 18 for one damn section"

[Reddit post](#)

5. Lack of Instructor Support (*Emerging*) – [1 posts]

Students feel unsupported with no engagement from instructors about their confidence in utilizing knowledge learned in the course.

"never not once in over 2 years have I had an instructor inquire as to 'did I learn anything that I felt confident in utilizing in my professional career?'"
