D372: Introduction to Systems Thinking

College: School of Technology

Topics: 3

Pain Points: 3

Feedback Topics

1. Clarity on Sources and Citations (*Emerging*) – [1 posts]

Students are uncertain about the requirements for using sources and citations in their assignments.

"I don't want my submission to be rejected because I appeared to ignore the Sources aspect of the grading rubric."

[Reddit post](#)

2. Understanding Similarity Scores (*Emerging*) – [1 posts]

Students are confused about how to interpret and respond to high similarity scores on their submissions.

"it said there was a 60.2% in similarity... Should I just submit it?"

[Reddit post](#)

3. Guidance on Archetype Selection (*Emerging*) – [1 posts]

Students struggle to understand the requirements and criteria for selecting archetypes in assignments.

"I'm not sure which archetype to choose for the prompts I'm seeing."
