Feedback Topics

1. Understanding and Utilizing Resources – [5 posts]

Students are struggling to effectively use available resources and understand course materials, leading to confusion and anxiety.

"I have watched all the videos, I have done the study guide and webinars and it just isn't sticking."

[Reddit post](#)

"I'm not getting the same answers as the video."

[Reddit post](#)

"The lectures are helpful. But the advice is very misleading."

[Reddit post](#)

"I probably could have saved a week if I knew exactly how to approach the preparation from day 1."

[Reddit post](#)

"I absolutely hated how some calculation problems have you jumping through a few steps to arrive at the answer."

[Reddit post](#)

2. Technical Issues with Assessments – [4 posts]

Students are facing technical difficulties with tools and platforms used for assessments, causing delays and stress.

"I'm going on day two."

[Reddit post](#)

"the formula reference sheet did not appear at all in excel."

[Reddit post](#)

"i can't copy and paste the key. I have to type it in."

[Reddit post](#)

"it didn't help that the proctor couldn't quite get my password right, so I stressed out quite a bit."

[Reddit post](#)

3. Excel Skills and Calculations – [3 posts]

Students are lacking proficiency in Excel and mathematical calculations, impacting their performance in assessments.

"I feel dumb or behind on excel because I dont understand."

[Reddit post](#)

"I am struggling with on the math is when to use (vs ((during some of the calculations."

[Reddit post](#)

"I really struggled with the formula setup in excel (backwards signs, knowing when to split the bond rates, etc)"

[Reddit post](#)

4. Assessment Preparation and Clarity – [5 posts]

Students feel unprepared for assessments due to unclear guidelines and differences between practice and actual assessments.

"I'm afraid of what the new OA will consist of."

[Reddit post](#)

"The OA was nothing like the PA at all."

[Reddit post](#)

"It was the math part that tripped me up."

[Reddit post](#)

"If you fail a pre assessment do you take the same one over or does it change?"

[Reddit post](#)

"this class broke me... took me about 15 days of studying to feel okay to take the OA."
