Topics: 2

Pain Points: 2

Feedback Topics

1. Content Availability Issues (*Emerging*) – [1 posts]

Students encounter challenges in locating sufficient and appropriate content for assignments due to constraints in the guidelines.

"I either have a few similarities and no differences, or 1 similarity and a few differences."

2. Instructor Support Challenges (*Emerging*) – [1 posts]

Students feel unsupported due to delayed responses and limited availability of instructors, affecting their learning experience.

"My CI isn't helpful, it takes a week to hear back from her and she wants to schedule a meeting, but doesn't have availability until the end of the month."
