### Feedback Topics

#### 1. Course Material and Difficulty – [3 posts]

The course material is outdated and the difficulty level is inconsistent, leading to student frustration and demotivation.

"The second attempt felt way harder than the first and had a bunch of stuff I don't remember seeing when studying + incredibly confusing question wording."

[Reddit post](#)

"Just getting through the reading made me want to scoop my eyes out with a spoon."

[Reddit post](#)

"why not test on the newest version of this database that we actually have a chance at working with, not something deprecated 2+ years ago."
