Topics: 4

Pain Points: 4

Feedback Topics

1. Exam Question Quality (*Emerging*) – [1 posts]

Students are struggling with the exam due to poorly worded questions and challenging performance-based questions (PBQs).

"I hated how comptia worded their questions, I hated the PBQs."

[Reddit post](#)

2. Study Material Effectiveness (*Emerging*) – [1 posts]

Students feel unprepared for exams despite studying all provided materials.

"I study everything that is given to me but for some reason I'm still getting stuck on this exam."

[Reddit post](#)

3. Course Structure Confusion (*Emerging*) – [1 posts]

Students are frustrated with the course structure and the order of classes, affecting their learning experience.

"I'm still thinking the foundational class should come before the application class... I hate the way WGU restructures the objectives in their course plan."
