D101: Cost and Managerial Accounting

College: School of Business

Topics: 3

Pain Points: 10

Feedback Topics

1. Inadequate Learning Resources – [8 posts]

Students feel the course resources are insufficient for understanding the material.

"The questions are nightmare as well."

[Reddit post](#)

"the embedded videos are terribly done."

[Reddit post](#)

"it gives me the # of units to be produced in June, but no where on this sheets does it say the amount of labor hours it takes to produce one unit?"

[Reddit post](#)

"This is the first accounting class I've had with no supplemental material."

[Reddit post](#)

"what you need to know to solve some of the quiz questions aren't even taught until the unit after"

[Reddit post](#)

"How is it different from PA it looked the same to me with different numbers."

[Reddit post](#)

"the similarity comes out to over 50%... how can I be different to not have similarities."

[Reddit post](#)

"the resources available through WGU for this one make me think that they want you to fail."

[Reddit post](#)

2. Uncertainty about Assignment Time Requirements (*Emerging*) – [1 posts]

Students feel anxious about completing assignments due to uncertainty in the expected time commitment.

"I personally think that memorizing the required equations will help me avoid wasting time, but it would make me more comfortable if I knew how long on average it would take for me to do the OA."
