C207: Data-Driven Decision Making

College: School of Business

Topics: 5

Pain Points: 11

Feedback Topics

1. Poor Course Structure – [4 posts]

Students are struggling to grasp the course material due to poor course structure.

"I can't figure out a plan of attack for the OA...is the PA like the OA????"

[Reddit post](#)

"This course is so poorly structured. Worst so far."

[Reddit post](#)

"I can confidently say that it does not align with the OA. The questions were worded so differently that it threw me all the way off."

[Reddit post](#)

"C207 literally the worst class I've taken with WGU!"

[Reddit post](#)

2. Unclear Feedback – [3 posts]

Students are receiving unclear feedback on tasks, leading to confusion and frustration.

"Can someone explain to me what they are looking for when it comes to data limitations?"

[Reddit post](#)

"I got task 1 sent back to me for revision on my null hypothesis and the y equation being wrong."

[Reddit post](#)

"my revision paper got turned back saying I still wasn't answering the question."

[Reddit post](#)

3. Test Anxiety and Overwhelm – [2 posts]

Students feel overwhelmed and anxious about assessments despite their preparation.

"I'm so annoyed 😂 "

[Reddit post](#)

"I did all of the end of the chapter quizzes and took the pre assessment and I failed again."

[Reddit post](#)

4. Awful Class Layout (*Emerging*) – [1 posts]

Students are frustrated with the class layout and find it to be inadequate for learning.

"why is the layout of this class sooooo awful!!!"

[Reddit post](#)

5. Inconsistent Grading (*Emerging*) – [1 posts]

Students are frustrated with inconsistent grading practices and find them confusing.

"each section bar increased a ton except the second one... thought the overall increase in each area would make it a pass."
