D388: Fundamentals of Spreadsheets and Data Presentations

College: School of Business; School of Technology
Topics: 4
Pain Points: 4

Feedback Topics

1. Technical Issues with Assessments *(Emerging)* – [1 posts]

Students are encountering technical problems with quizzes and assignments that hinder their ability to submit and receive feedback.

> "the practice quizzes say 'no data found' ? when there is data in the cell."
> [Reddit post](#)

2. Lack of Feedback on Assessments *(Emerging)* – [1 posts]

Students are not receiving timely or clear feedback on their assessments, leading to confusion about their performance and the next steps.

> "I didn't get a final score... I wanted to know my score to see how I did."
> [Reddit post](#)

3. Difficulty with Course Content *(Emerging)* – [1 posts]

Students are struggling with the course material despite previous experience with similar subjects, indicating a gap in course clarity or support.

> "I literally feel defeated because I've been doing Excel spreadsheets this whole program and I'm struggling with D388."
> [Reddit post](#)

4. Lack of Clarity on Grading Criteria *(Emerging)* – [1 posts]

Students are confused about the grading criteria and what is necessary to pass, leading to anxiety and uncertainty regarding their performance.

> "It's saying competent. You need a competent to pass a course no?"
> Reddit post
