D522: Python for IT Automation

College: School of Technology
Topics: 2
Pain Points: 5

Feedback Topics

1. Assessment Preparedness – [3 posts]

Students feel unprepared for assessments due to anxiety about content differences and lack of feedback.

> "I fear that I've memorized what was on the pre-assessment and will freeze when I'm faced with something different."
> [Reddit post](#)
> "I've been studying non stop and yet it wasn't enough."
> [Reddit post](#)
> "I'm highly confused as to how I would be issued a No Pass with no score report to show."
> [Reddit post](#)

---

2. Course Content Overwhelm – [2 posts]

Students find the course content overwhelming, leading to confusion and extended course duration.

> "This course almost made me quit, no kidding, I had to carry this course over a semester, I hated this class SO much."
> [Reddit post](#)
> "when I get to the lab..I'm completely lost."
