## Feedback Topics

### 1. Technical Access Issues – [3 posts]

Students are hindered from accessing course materials due to broken links or technical errors.

> "what the fuck is up with all the broken links in the study guide for C777?"
> [Reddit post](#)
> "I opened it across 2 different browsers, restarted my computer, logged back out and back in, nothing works."
> [Reddit post](#)
> "Some of the linkedIn course vids had been removed or archived due to newer versions or changes."
> [Reddit post](#)

---

### 2. Course Content Organization – [2 posts]

Students find the organization of course materials confusing and unclear.

> "The course material was presented in a contradictory manner and more than just a few of the essential readings and links were no longer valid."
> [Reddit post](#)
> "Keeps going over flex and box and grid, but not consistently."
> [Reddit post](#)

---

### 3. Content Overload – [2 posts]

Students feel the course content is excessively bloated and lacks engagement.

> "This class is just unbelievably bloated with dry content."
> Reddit post
> "this class just throws so much info at you."
> Reddit post

---

## 4. Exam Access Problems – [2 posts]

Students experience significant delays in accessing exams due to technical issues.

> "I pressed it and.....GOT an ERROR!!! The button disappeared and was unable to get into the Queue for the exam."
> Reddit post
> "Failed 2nd C777 OA. Fuck this shit."
> Reddit post

---

## 5. Assessment Preparation Anxiety – [2 posts]

Students feel overwhelmed and frustrated with preparation, leading to performance issues on assessments.

> "Quizlets do nothing for me and I have a hard time retaining the finer points that the 'gotchya' trick questions cover in the OA."
> Reddit post
> "I did worse on my second attempt PA after doing all the course content."
> Reddit post

---

## 6. Assessment Approval Delays – [2 posts]

Students encounter delays in obtaining approval for assessment retakes, which can impact their academic performance.

> "Nope, instructor is making me jump through hoops and the end of the month is the end of my term."
> Reddit post
> "I emailed the instructor last week, automated response of 'we'll get to your email in the order it was received', waited until yesterday and emailed the whole instructor team, no response."
> Reddit post

---

## 7. Post-Term Access Anxiety *(Emerging)* – [1 posts]

Students are anxious due to lack of access to course materials and results after the term ends.

> "I no longer have access to the course or degree page and have no way to even see if I passed the OA or not!!!"
> Reddit post

---

## 8. Assessment Clarity Issues *(Emerging)* – [1 posts]

Students experience confusion regarding their performance outcomes on specific course components, indicating lack of clarity in assessment expectations.

> "im not to sure how I failed the HTML5 portion so bad."
> Reddit post

## 9. Assessment Consistency Concerns *(Emerging)* – [1 posts]

Students struggle with discrepancies between different forms of assessments, leading to unexpected performance outcomes.

> "the PA and OA were nowhere near the same test."
> Reddit post

## 10. Feedback and Support Gaps *(Emerging)* – [1 posts]

Students are frustrated by the lack of personalized feedback and support following assessments, affecting their learning experience.

> "it was a generic, canned email with generic 'you did poorly in all the parts, this is how to get better' when I was exemplary in more than one part of the OA."
> Reddit post

## 11. Learning Resource Effectiveness *(Emerging)* – [1 posts]

Students feel a lack of effective learning resources and support, hindering their ability to succeed in the course.

> "been studying for a month and still no luck"
> Reddit post

## 12. Extension Process Clarity *(Emerging)* – [1 posts]

Students are unclear about the extension application process and its impact on their course completion.

> "Who do I speak with regarding if I got extended by a month or not."
> Reddit post
