Topics: 4
Pain Points: 6

Feedback Topics

1. Exam and Practice Question Clarity – [2 posts]

Students are struggling with poorly worded exam and practice questions, leading to confusion and frustration.

> "I hated how comptia worded their questions, I hated the PBQs."
> [Reddit post](#)
> "Some of these questions hurt my head and are almost distracting in how poorly they are written."
> [Reddit post](#)

---

2. Exam Preparation and Confidence – [2 posts]

Students feel unprepared for the exam despite studying, indicating a gap in effective preparation strategies.

> "I study everything that is given to me but for some reason I'm still getting stuck on this exam."
> [Reddit post](#)
> "I'm still not comfortable with scheduling the test... I score a 77% on every pretest made by everyone."
> [Reddit post](#)

---

3. Course Structure and Objectives – [1 posts]

Restructuring of course objectives is complicating the learning process for students.

> "I hate the way WGU restructures the objectives in their course plan."
> [Reddit post](#)

---

4. Technical Issues Affecting Exam Completion – [1 posts]

Technical issues with exam setups are causing cancellations, impacting students' ability to complete the course.

> "PearsonVue canceled my exam because they couldn't see me on my webcam, despite passing all system and networking test's/requirements."
> Reddit post
