## Feedback Topics

### 1. Clarity of Assignment Requirements – [3 posts]

Students are confused about assignment requirements and expectations, leading to frustration and errors.

> "Are we suppose to make up our own problem to propose a solution to? Or did they give us a problem for us to make up a solution to"
> [Reddit post](#)
> "this course is you making shit up."
> [Reddit post](#)
> "I get so confused with the out of scope and functional vs non-functional requirements."
> [Reddit post](#)

---

### 2. Grammatical Correctness Standards – [1 posts]

Students are struggling to meet grammatical correctness requirements, resulting in paper rejections.

> "you have a maximum of 40 grammatical correctness errors to pass professional speaking requirement and I had 69."
