D265: Critical Thinking: Reason and Evidence

College: Leavitt School of Health; School of Business; School of Education; School of Technology
Topics: 3
Pain Points: 5

Feedback Topics

1. Information Retention and Organization – [2 posts]

Students are struggling to retain information and organize concepts due to the complexity of the course content.

> "I'm finding it hard to keep everything straight and it's like I'm not retaining it well."
> Reddit post
> "this course was difficult for me because all the little word games and confusion they were throwing my way."
> Reddit post

---

2. Assessment Anxiety and Difficulty – [2 posts]

Students are anxious about the difficulty of the course and are struggling to pass assessments despite their efforts.

> "I keep hearing how difficult this course is and people are having trouble with the OA."
> Reddit post
> "I can't pass the OA for the life of me and now I can't even pass the practice test."
> Reddit post

---

3. Excessive Requirements for Retaking Assessments – [1 posts]

Students are frustrated with the excessive requirements and calls needed before retaking assessments.

> "I would have to have another 45 min call before she would even give me a 3rd pre-assessment."
