C190: Introduction to Biology

College: Leavitt School of Health; School of Business; School of Education; School of Technology
Topics: 4
Pain Points: 6

Feedback Topics

1. Instructor Communication Issues – [1 posts]

Students are experiencing delays in responses from the instructor, impacting their progress.

> "the CI wouldn't answer my questions until I had my mentor ask the lead CI to approve my 2 try"
> [Reddit post](#)

---

2. Overwhelming Course Material – [2 posts]

Students find the course material excessive and unengaging, leading to feelings of dread and discouragement.

> "the material is so much and very very boring and i just don't know how to get through this course."
> [Reddit post](#)
> "I still feel like I'm not getting anything out of this class except discouragement."
> [Reddit post](#)

---

3. Assessment Retake Challenges – [2 posts]

Students are frustrated with the complicated process and policies surrounding assessment retakes.

> "they won't let me take it again without doing all the study questions at the end of each module."
> Reddit post
> "apparently there's a whole series of steps, homework, plans, etc, that you have to do before you're allowed to retake it."
> Reddit post

---

4. Excessive Busy Work – [1 posts]

Students feel overwhelmed by the amount of busy work assigned in the course.

> "20-30 pages of busy work from the CI"
> Reddit post
