Topics: 5
Pain Points: 9

Feedback Topics

1. Assessment Failure Anxiety – [3 posts]

Students feel defeated and discouraged after repeated failures in assessments despite extensive preparation.

> "I always pass my OA on the second try... it has me feeling like I'm not smart enough to pass on the first try."
> [Reddit post](#)
> "I'm basically bombing them. 2/5, 1/5, and maybe the occasional 4/5 or 5/5... I'm honestly stumped because it's basically the same information."
> [Reddit post](#)
> "I've failed the OA twice now. I am feeling so defeated."
> [Reddit post](#)

---

2. Overwhelming Course Material – [2 posts]

Students feel overwhelmed by the extensive and complex course material, leading to stress.

> "the course material is insane for this course."
> [Reddit post](#)
> "the way the book words things isn't the best."
> [Reddit post](#)

---

3. Study Method Challenges – [2 posts]

Students struggle to find effective study methods for the course, impacting their learning experience.

> "anyone have any advice how to study for this class really struggling with it"
> Reddit post
> "I have tried quizlet & Studoco with no help finding anything substantial!"
> Reddit post

---

4. Course Retake Process Complexity *(Emerging)* – [1 posts]

Students find the process for retaking the course to be lengthy and complicated, creating barriers to further learning.

> "there are literally so many steps in order to take it a second time."
> Reddit post

---

5. Financial Aid Anxiety *(Emerging)* – [1 posts]

Students feel anxious about the loss of financial aid due to unclear academic requirements.

> "I keep getting text messages from the mentor care team saying that I MUST pass 12 CU's per term to stay in the program."
> Reddit post
