D582: Introduction to Statistics for Research

College: Leavitt School of Health
Topics: 1
Pain Points: 2

Feedback Topics

1. Understanding Course Material and Concepts – [2 posts]

Students find the course material dense and struggle with understanding statistical concepts.

> "The presentation of the material is so dense and overwhelming that I feel like I'm learning nothing."
> [Reddit post](#)
> "It genuinely doesn't involve a lot of thinking, just figuring out why the correct answers are the correct answers and then remembering that."
